**Description:**

The perfect solution for connecting component video devices using UTP(Cat5/5e/6) cable, this Component Video (YPbPr) UTP Extender lets you extend signals up to 300ft./100m. R03-EXT-3BNC is comprised of two extender units that can be used interchangeably: one is installed near the video signal source, the other to be placed near the desired display, up to an impressive 300ft./100m away. With no software or power adapter required, installation and setup is quick and hassle-free.
