

Description:

The perfect solution for connecting composite video devices using UTP(Cat5/5e/6) cable, this Composite Video UTP Extender lets you extend signals up to 300ft./100m. R03-EXT-RWY-FP is comprised of two extender units that can be used interchangeably: one is installed near the video signal source, the other to be placed near the desired display, up to an impressive 300ft./100m away. With no software or power adapter required, installation and setup is quick and hassle-free.

Features:

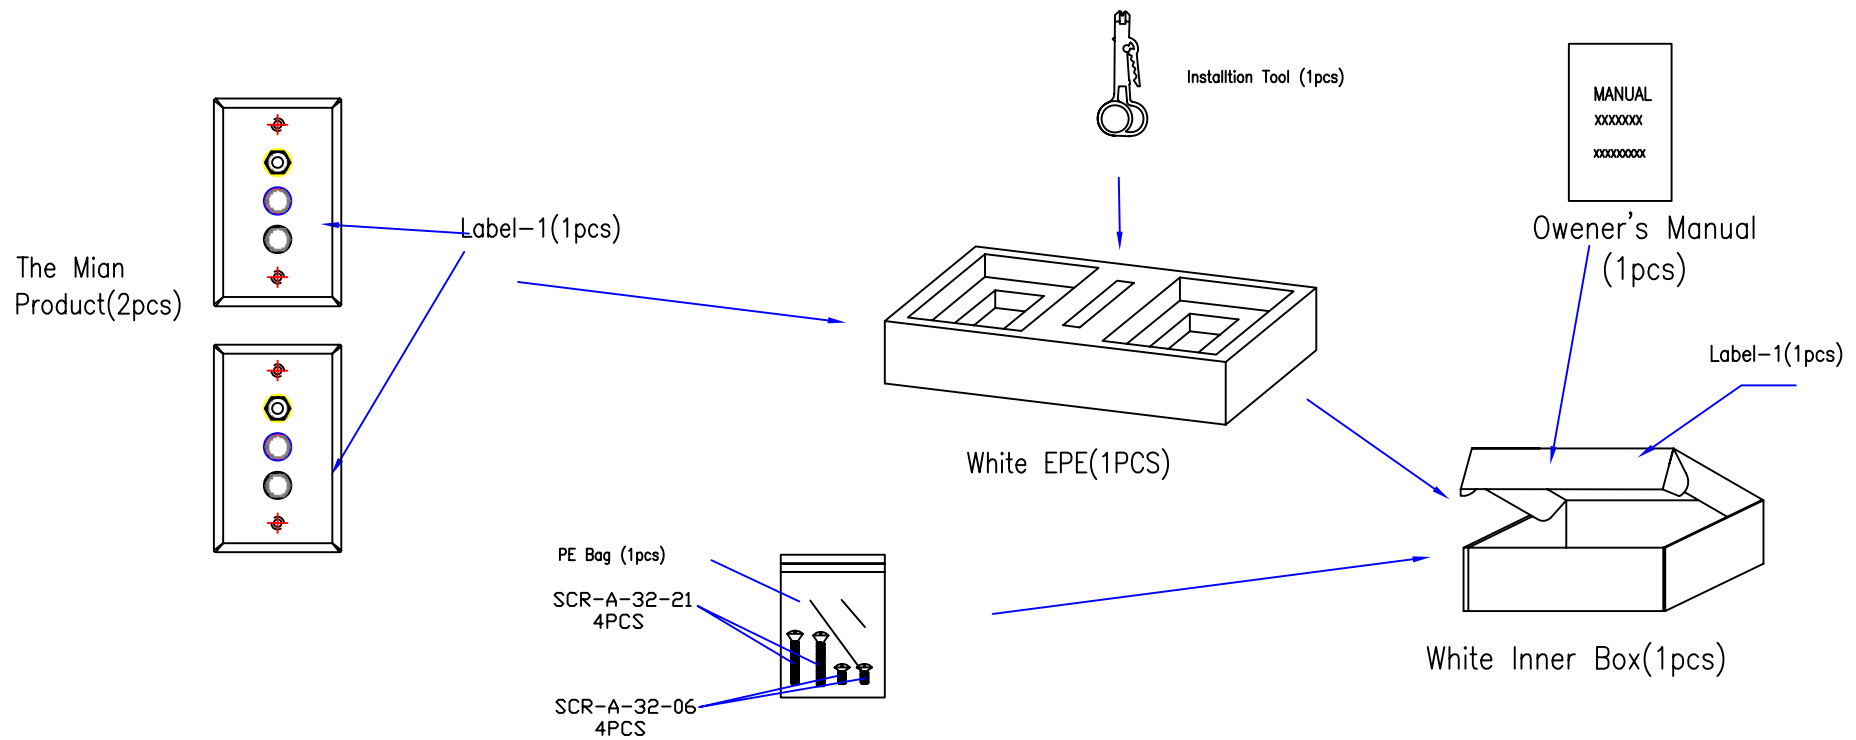

- No software or power adapter required for easy installation.
- Works with UTP (Cat5/5e/6) cable.
- Shell color: White

Applications

- To be used in home or commercial applications as a fast, and cost-effective means of connecting composite video equipment.
- Ideal for classrooms, projectors, convention facilities, and retail displays.
