

### Description

Extend your USB peripherals up to 150ft. using regular CAT5/5e/6 cable. This repeater cable has built-in buffer and actively regenerates the signals to preserve data integrity. Active repeaters provide maximum flexibility for USB devices and ideal for security and surveillance video, PC digital audio systems and other peripherals with USB interface that are beyond the reach of regular cables.

### Specifications:

1. Dimensions: 55(L) x 24(W) x 34.5(H)
2. Product Weight(net): 38g
3. Shell Color: Black
4. USB cable & conector: USBAM, 1ft.
5. USB 1.1 Compliant only
